#bettercolchester

Greening the borough for now and the future

## We're Gardening for Nature!

**We're losing birds and insects, animals and flowers, fast.**

**In this garden we're doing our bit to help nature recover.**

**You can do the same. You could let your grass grow longer,  
make a bug refuge, leave a corner of the garden wild –  
whatever you do you can join in.**

**Together we can make a difference.**

**Let's help nature recover!**

For a free sign, ideas on how to help nature in your garden and a chance to win  
a year's free entry to Beth Chatto's, contact [enquiries@wivenhoe.gov.uk](mailto:enquiries@wivenhoe.gov.uk)

Thank you for doing your bit

Cllr Glyn Evans
