Responsibilities of all staff

- Employees, councillors and volunteers all have a duty to protect children, young people and adults in need of care and protection but are not responsible for deciding whether abuse is taking place. If they have concerns, these should be passed on as soon as possible.

- Follow the safeguarding policies and procedures at all times, particularly if concerns arise about the safety or welfare of a child or adult in need of support and protection.
- Participate in safeguarding training as required and maintain current working knowledge.
- Discuss any concerns about the welfare of a child or adult with their line manager, or the Chair of the Town Council.
- Contribute to actions required including information sharing and attending meetings.
- Work collaboratively with other agencies to safeguard and protect the welfare of people in the premises and activity areas.
- Remain alert at all times to the possibility of abuse.
- Recognise the impact that diversity, beliefs and values of people can have.

Allegations against staff and volunteers

- All staff should take care not to place themselves in a vulnerable position with a child. It is always advisable for contact with individual children or parents to be conducted in view of other adults.
- No attempt should be made to investigate or act on any allegation regarding staff or volunteers behaviour with children or young people before consultation with the Local Authority Designated Officer (LADO), 03330 139 797
- The Town Council should follow the ESCB and ESAB procedures (SET procedures) for managing allegations against staff/volunteers, a copy of which can be found on the ESCB (www.escb.org.uk) and ESAB (www.essexsab.org.uk) websites -[Home \(escb.co.uk\)](http://Home(escb.co.uk))

Whistleblowing

All staff and volunteers should be aware of their duty to raise concerns about the attitude or actions of colleagues and appropriate advice will be sought from the LADO or Safeguarding Teams.

What should be a cause for concern: Children and young people

Staff and Volunteers should be concerned by any behaviour, action or inaction, which significantly harms the physical and/or emotional development of a child. A child may be abused by parents, other relatives or carers, professionals and other children, and abuse can occur in any family OR in any other area of society, regardless of social class, wealth or geographical location.

Abuse falls into four main categories:

1. Physical Abuse
2. Emotional Abuse
3. Sexual Abuse
4. Neglect

All staff and volunteers need to have an awareness that there are many other forms of abuse ranging from Child Sexual Exploitation (CSE) through to Female Genital Mutilation (FGM).

Ideally, staff and volunteers who engage with children will have accessed appropriate child protection training through the Essex Safeguarding Children Board (ESCB) but further information

about types of abuse, signs to look for and what to do if you are concerned are also available on the ESCB website [Home \(escb.co.uk\)](http://escb.co.uk). All agencies, whether statutory, voluntary or other are obliged to follow the procedures laid out on the ESCB website.

Adults in Need of Care and Protection

Staff and volunteers should be aware of the possibility of abuse to vulnerable adults from the community, relatives, carers or professionals in the areas of:

1. Physical abuse
2. Domestic violence
3. Psychological abuse
4. Emotional abuse
5. Financial or material abuse
6. Modern slavery
7. Organisational abuse
