P.03.26.003 Minutes of the last meeting: The minutes of the meeting held on 6 January 2026 were proposed by Cllr Andrew, seconded by Cllr Widgery, and approved as an accurate record of proceedings.

P.03.26.004 Planning Applications: The Committee considered the following planning applications:

Cllr Luxford-Vaughan abstained from the debate and commenting on application reference 260220.

4a	Reference	260220
	Registered	04/02/2026
	Development	Internal reconfiguration and extensions to the existing 1.5 storey dwelling to provide a contemporary family home.
	Address	3 Beech Avenue, Wivenhoe Colchester CO7 9AR
	WTC Comment	Comment: WTC notes that the submitted plans do not include existing or proposed ridge and eaves height dimensions. As the application proposes extensions and alterations to a 1.5 storey dwelling, including changes to the roof form, this information is necessary to enable a proper assessment of the scale and mass of the development. This is particularly important given the proximity of the development to neighbouring bungalows

		including a property located approximately 2m from the shared boundary. Without confirmed height information, we cannot fully assess the potential impact on neighbouring residential amenities, including outlook, sense of enclosure and whether the development will appear overbearing.
